Re: Jermal Lincoln 51099-509

Dear Sir/Madam:

I Michele Lincoln am the mother of Jermal Lincoln. He wanted me to send a copy of his letter to the Clerk's Office. He wants to put in a motion but unable to get advice or help on how to submit a motion.

I have attached a copy of his handwritten letter and a typed letter stating the same facts. Can you forward the letter to the correct office or court? He sought advice from his attorney at the end of July 2023 but no response. He understands he has no attorney since his case is over. Can the court advise him if he can do this on his own and what is the correct procedure? Thank you.

Regards,

Ms. Lincoln

United States District Court

Jermal Lincoln

v.

CASE number: 1:21-cr-442 (1

United States of America

3582 C)(a)
"Motion for sentence reduction based on
the changes in the Sentencing guidelines under
Criminal History Enhancement". I'm also
requesting counsel to represent me.

Now comes Jermal Lincoln am unable
to afford counsel for the purpose of
making a motion to review my sentence
under the recent ruling that the United
States Sentencing Commission changes. Due
to the facts that the courts enhanced my
points, and sentencing from my Criminal
History and gave me a 2 point enhancement
because I was on probation when I
caught this case. which puts me in
a higher category for longer imprisonment.
Now I would have had a lesser
sentence due to the facts of the law

Changing.. Under the Sentencing guidelines..
I hereby request that Counsel be appointed
to represent me to determine whether I
maybe eligible for release from incarceration
Under this new law that the United
States Sentencing Commission Changed in
the Sentencing guidelines under § 4A1.1..

If you could please review my
"Pre-Sentence Investigation report" ~~and~~ and
you will see that the government relied
upon my prior offenses to impose my
Sentence.. I received Criminal History
Enhancements. I am asking that the
Courts please appoint me an Attorney
to represent me in this matter Please...

No prison infractions
the whole time and
Currently in the
Residential Challenge
Program...

Thanks you
